Notre Dame Offering Secretarial Course

BELMONT—To meet the growing demand for commercial training, the secretarial department of the College of Notre Dame at Belmont will offer beginning courses in shorthand and typewriting and a complete course in office training at the opening of the new semester Feb. 2. These courses are designed for young women training for positions requiring fundamental knowledge of office routine, especially to meet the demand for office workers in defense industries.

R. C. Check Forger Enters Guilty Plea

Mitchell Combs, 41, charged with passing a forged check on a local laundry, on Monday pleaded guilty in superior court. The case was continued one week for sentence. Dep. Dist. Atty. Louis B. Demattis told the court the man had a long criminal record, including a 10-year sentence in Kentucky on a manslaughter charge.

Trial of George Moncrieff, also held on a check charge, was set for Mar. 6. He waived trial by jury.

MENLO PARK NEWS

BY D. E. O'KEEFE

MENLO PARK—Thomas Furman passed away at his home Wednesday after a long and painful illness. Mr. Furman was the first chief of police of Menlo Park, serving two years. He had been connected with the San Francisco Police Department for more than 30 years before coming to this community after his retirement. One of his sons is a scholastic in the Jesuit order; another is an ensign in the U. S. Navy.

The rainfall to date is 10.75 inches, as compared with 12.08 inches at this time last year. In former years the average precipitation at this time of the season was 16 inches.

Because of the war two weddings that were to have taken place next month have been indefinitely postponed.

It was rumored this week that a large chain store had taken over the Gynn property on Santa Cruz Ave. and would construct a two-story building on the site in the Spring.

Miss Aileen McCarthy, the pretty daughter of Mr. and Mrs. M. J. McCarthy, will be married to Vincent Charles Beardsley in the Church of the Nativity Feb. 7. The young couple will reside in San Francisco where Mr. Beardsley is engaged in business.

There is no foundation for the current rumor that another showhouse is to be established here. The one already in the field is giving satisfaction and there is no need of two.

Francis Feeley has returned from Palo Alto Hospital where he had been for a month. He is much improved.

The Kugler cottage on Oak Grove Ave. has been leased to an Eastern couple who have come here to spend their declining years amid the flowers and sunshine of Menlo Park.

Last Tuesday Hans Agaard, a Menlo Park pioneer, celebrated his 76th anniversary by giving a dinner to a few intimate friends at his home on Oak Grove Ave. Mr. Agaard was born in Denmark. As a young man he came to this community, where he has resided ever since.

David Stott Elected President of Class

It took a lot of voting to do it, but McKinley School has officially named David Stott as the head of its student body as president and Eugene Sharp as vice president.

The run-off election held on Monday found only 11 votes difference, out of a total of 517 cast, between the two presidential candidates. Only 64 votes separated the two vice presidency aspirants.

Runners up in the election were Stanley Cottrell, for president, and Dick Morgan, for vice president.

Winning as treasurer in last week's election, one of the most intense at McKinley in some time, was Carol Ratliff, only candidate to poll a sufficient majority for election.

New officers will be installed at the general awards election on Friday.

Woodside Civilian Defense

Scheier, Dibble Appointed Head of Air Raid Wardens

WOODSIDE—Local civilian defense activities are proceeding effectively with the completion of personnel and meetings for instruction. With the elevation of L. W. Aff to the directorship in civilian defense in the Woodside Fire District, his vacated place as chief air raid warden has been filled by Arnold Scheier. The new assistant warden will be Oliver Dibble Jr. Maj. Loring Pickering, former director, resigned to serve in the armed forces, receiving a commission as lieutenant-colonel. He left by plane yesterday for Washington, D. C.

The 22 men in the local auxiliary police set-up have met

twice this week for instructions, first for a two-hour session on traffic problems and then with Sheriff James J. McGrath for police duty instruction. Captain of the Woodside group is Frank Hill, Woodside deputy. William Lee is lieutenant.

Tuesday evening of each week the 60 air-raid wardens of the 14 sectors of this area meet to learn of developments. The three sectors in which senior wardens were not originally appointed have now been filled by F. W. McCormack of Old La Honda Rd., section 10; Ray Shumaker, Crescent Dr., section 13, and Edgar Knight, Los Trancos Woods, section 14.

San Mateo Banker Wins a Promotion

SAN MATEO—F. A. Marianetti, manager of San Mateo Branch, Bank of America, for 12 years, has been promoted to the rank of vice president and Ira H. Potter of San Francisco, former president of the Bank of South San Francisco, has been named manager here, according to an announcement made today by Pres. L. M. Giannini.

Marianetti, who has been affiliated with the local bank 25 years, is the third oldest member of the Bank of America staff in point of service among the 11,500 staff members. He started as a messenger for A. P. Giannini in 1908 in San Francisco and has seen the firm expand from a single bank to 495 statewide branches.

Unemployment Insurance Shows Decrease Here

Of the \$52,000,000 paid in unemployment insurance during the year 1941, unemployed workers in the San Mateo area drew \$242,301, according to announcement made here by Don Gilson, Department of Employment representative in the San Mateo office of the United States Employment Service.

This sum represented a decrease over the previous year, said Gilson, when \$345,642 was paid to unemployed workers in this area.

Total insurance paid during the year dropped 20 per cent throughout the state, with \$65,000,000 paid unemployed workers during 1940.

Port Manager Now Seeking Priorities for Work at R.C. Harbor

Port Manager Leslie M. Rudy, who Wednesday saw efforts to win a \$53,000 grant for the Port of Redwood City crowned with success, today is seeking priorities for materials to construct new wharfage at the municipal harbor, "in order that work may be started immediately and completed without delay," he notified

this paper by telegram. In another message to John E. McCarthy, chairman of the board of port commissioners, he reported that President Roosevelt had signed the bill appropriating the \$53,000 which the Federal Works Agency announced yesterday it was granting to the city port for the dredging of the

channel and construction of a 400-foot wharf 16 feet wide adjacent to the present 450-foot wharf.

In his wire to the Tribune, Manager Rudy lauded co-operation he had received from Congressman J. Z. (Jack) Anderson in obtaining the funds. "Anderson's co-operation and

assistance have been invaluable," he stated.

Rudy said the U. S. Navy Department had recommended the project "as being essential to national defense, as they some weeks ago also similarly recommended a \$483,000 dredging project now in the Rivers and Harbors' Bill pending before Con-

gress."

Before Rudy returns home next week, he is expected to push further efforts being made by the port commission to obtain more funds for additional expansion of the port's facilities.

Commissioners plan to meet tonight to award a contract

for the dredging work made possible by the FWA grant.

Slides Block County Roads

Rains which swept the Peninsula early Saturday caused an estimated \$20,000 damage to San Mateo County crops plus untold thousands in permanent loss through erosion.

Slides partially blocked the Memorial Park road at Loma Mar and a torrent at Cuesta La Honda ripped out a concrete arch bridge. Redwood City and other Peninsula areas experienced near flood conditions early Saturday when a high tide prevented run-off of storm waters.

County Agricultural Commis-

sioner Max J. Leonard anticipated heavy damage to early pea plantings and loss of the last fifth of the sprouts crop.

A large cypress tree fell at Loma Park on El Camino Real Saturday noon, striking a car driven by Elmer E. Talbott, San Bruno special policeman. Talbott escaped with minor injuries.

The long-tailed chickadee migrates in the Fall merely by flying a few miles, from the Rocky Mountains downward 8000 feet to the foothills.

S.C. Postmaster Tries Out Bike, Breaks an Ankle

SAN CARLOS — Looking ahead to the day when automobile traffic may be restricted, Mrs. Mary Davis, San Carlos postmistress, tried a bicycle Sunday afternoon. She fell from the two-wheeled vehicle on a slippery street, fractured her left ankle and was taken to Mills Memorial Hospital. The accident occurred in the 800 block on Cedar St. at 3 p.m. Members of the family said Mrs. Davis was riding a bike she had given her daughter for Christmas.

John W. Ericksen Is Taken by Death

John W. Ericksen, 64, a longshoreman who had lived here since 1922, passed away Sunday following an illness. Mr. Ericksen, whose home was on Sixth Ave., North Fair Oaks, leaves his wife, Caroline, and a daughter, Mrs. Ida May Summermyer of Oakland. He was a native of Norway.

Monteith, Former School Head Here, Dies

Friends here have received word of the death in Temple City, Los Angeles County, of Andrew E. Monteith, school superintendent here some 15 years ago.

Mr. Monteith, who resigned the school position to become secretary of the San Mateo County Building and Loan Association, also served on the city council in Redwood City, it was recalled by Supervisor John W. Poole, school board member who was a trustee when Mr. Monteith was superintendent.

For the past 11 years he had lived in Temple City, where he passed away Jan. 9 and was buried Jan. 12. Prior to his retirement in 1939 he served four years as chief of the California Immigration and Housing Commission.

His wife, Vera, and a son, Don E., of Hamilton Field, survive.

False Alarm Answered At S&W Cannery

Redwood City Fire Department answered a false alarm at 8:23 a.m. Wednesday when a detector newly installed at a warehouse in the S&W cannery went off, possibly from sunlight. The heat-controlled safety device was being repaired today by the manufacturers.

Triangular Love in New Film

Fred MacMurray is just a bench warmer as far as pretty Mary Martin is concerned after he dares her to marry handsome Robert Preston in Paramount's unusual comedy drama "New York Town" opening Sunday at the Carlos Theater with Akim Tamiroff and Lynne Overman heading the supporting cast. "Ladies In Retirement," featuring Ida Lupino and Louis Hayward, and a March of Time and Disney Cartoon complete the program.

Pair Get \$42, Flee in Car

PALO ALTO — Two bandits, both young and neatly dressed, held up a Shell Oil Co. service station near the Stanford Stadium at the intersection of Embarcadero Rd. and El Camino Real at 9:20 p.m. on Monday and escaped with \$42 in cash, eluding Capt. J. M. Peattie, associate professor of military science and tactics in the Stanford ROTC corps, who gave brief chase in his automobile.

Robert Wright, attendant, was alone in the station when the two men entered on foot, according to Gordon Davis, chief of the Stanford police. They kept their hands in their pockets as if armed.

The station's cash box was open, Wright having just waited on a customer, and the bandits scooped the money from it, tore out the telephone connections and fled to their car, parked just south of the station.

Wright hailed Captain Peattie, who was passing. The bandits turned left from El Camino Real on Churchill Ave. and disappeared in the direction of Embarcadero Rd., traveling toward the Bayshore Hwy.

The 40-hour week of the federal wage and hour law does not apply to railroad workers.

HE WONDERED WHY THEY MOVED AWAY...

When he sat down in a theater, he wondered why people sitting next to him moved away. Because you live with it, you seldom notice the unpleasant odor created by worn shoe soles that permit the grime of the street to sneak in.

Be sure you don't offend. Have your shoes half-soled at the first signs of wear. Have the job done expertly, with quality leather.
